

The map illustrates the proposed 'Variante Nord' road project. Key features include:

- Palazzo Cogo:** Located at the bottom left, near the intersection of Via Cogo and Via Borgiaghe.
- Via Cogo:** A road running horizontally across the bottom of the map.
- Via Borgiaghe:** A road running vertically through the center of the map.
- Via:** A road running horizontally across the top of the map.
- Nord:** A label indicating the direction of the project.
- Variante:** A label indicating the proposed road variant.
- Km.2:** A label indicating the distance from the project start.
- SP.28:** A label indicating the road number.
- Borgiaghe:** A label indicating the location of the project.
- Badia:** A label indicating the location of the project.
- Via:** A label indicating the location of the project.
